

2023 will see the inaugural Waihi Summer Camp run at Waihi School in South Canterbury. Waihi School is set beside the Waihi River on a 9 hectare property, making it the perfect setting for a Summer Camp.

Waihi Summer Camp is open to all children aged from 8 to 13 who are willing to give something new a go and make friends while doing it.

2023 has a predominantly outdoor pursuit theme, although a high level of fitness isn't required we would recommend some level of fitness and a high level of resilience as activities will be unique to our itinerary.
